

Backgrounder

Municipalities to receive funding for 103 infrastructure initiatives across Canada

103 new initiatives approved in 97 communities

A new list of initiatives approved for 103 initiatives in communities across Canada through two new funding programs: the Municipalities for Climate Innovation Program (MCIP) and the Municipal Asset Management Program (MAMP). These programs are delivered by the Federation of Canadian Municipalities and funded by the Government of Canada.

The following 103 projects in 97 communities have been approved for federal funding amounting to just over \$6.8 million.

Funded initiatives

Alberta

Municipal District of Bonnyville No. 87, AB

Asset Management Initiatives Project

Sub-sector: Multiple

MAMP grant: \$50,000

Camrose County, AB

Video Data Collection & Video Asset Processing

Sub-sector: Data collection and reporting

MAMP grant: \$50,000

Town of Castor, AB

Managing Risk and Building Resilience through Asset Management

Sub-sector: Asset management system assessments

MAMP grant: \$50,000

Town of Coaldale, AB

Asset Condition Assessment Program

Sub-sector: Data collection and reporting

MAMP grant: \$50,000

Town of Devon, AB

Asset Management Plan & Policy for the Town of Devon

Sub-sector: Multiple

MAMP grant: \$50,000

Town of Devon Partners for Climate Protection Milestones Strategy 1-3
Plan – Energy
MCIP grant: \$27,200

City of Edmonton, AB

City of Edmonton PACE Feasibility Study
Feasibility Study – Energy
MCIP grant: \$157,600

Climate Change Adaptation and Resilience Strategy
Plan – Climate Change Adaptation
MCIP grant: \$175,000

City of Leduc, AB

City of Leduc GHG Inventory and GHG Reduction Plan
Plan – Energy
MCIP grant: \$113,600

Red Deer County, AB

Asset management maturity, strategy and plan development.
Sub-sector: Asset management plans, policy and strategy
MAMP grant: \$50,000

Village of Ryley, AB

Infrastructure Assessment and Ten-Year Capital Plan
Sub-sector: Multiple
MAMP grant: \$50,000

County of St. Paul No. 19, AB

Level of Service, Risk and Database Update - Transportation Infrastructure
Sub-sector: Data collection and reporting
MAMP grant: \$50,000

Town of St. Paul, AB

St. Paul Roads, Sidewalks and Walking Trails Infrastructure Assessment
Sub-sector: Data collection and reporting
MAMP grant: \$50,000

British Columbia

City of Abbotsford, BC

Municipal Green Fleet Management Plan
Feasibility Study – Transportation
MCIP grant: \$57,600

Village of Belcarra, BC

Municipal Roads Condition Assessment

Sub-sector: Multiple

MAMP grant: \$29,600

Regional District of Central Kootenay, BC

RDCK Water Services Asset Management Plan Project - Funding Water Infrastructure for the Long Term

Sub-sector: Multiple

MAMP grant: \$38,257

Columbia Shuswap Regional District, BC

Asset Condition Assessment Plan, Implementation Framework and Data Capture Program

Sub-sector: Multiple

MAMP grant: \$50,000

City of Courtenay, BC

Courtenay Land Disposition and Acquisition Strategy

Sub-sector: Data collection and reporting

MAMP grant: \$50,000

City of Kelowna, BC

Corporate Asset Management Program Policy and Strategy/Framework Development and Asset Management Assessment

Sub-sector: Multiple

MAMP grant: \$50,000

Regional District of Mount Waddington

Operational Biocover Feasibility Study for Small Landfills

Operational Study – Waste

MCIP grant: \$175,000

Village of Nakusp, BC

Inventory of Major Assets and Preliminary State of Infrastructure Reports

Sub-sector: Data collection and reporting

MAMP grant: \$24,800

District of North Vancouver, BC

Community Energy and Emissions Plan (CEEP)

Plan – Energy

MCIP grant: \$158,600

City of Penticton, BC

Condition Risk Assessment on Water, Sanitary, Storm, Roads, Electrical and Building Assets

Sub-sector: Asset management system assessments

MAMP grant: \$50,000

Village of Silvertown, BC

Inventory of Major Assets and Preliminary State of Infrastructure Reports

Sub-sector: Data collection and reporting

MAMP grant: \$22,400

Village of Slocan, BC

Inventory of Major Assets and Preliminary State of Infrastructure Reports

Sub-sector: Data collection and reporting

MAMP grant: \$29,600

Township of Spallumcheen, BC

Building Asset Management Capacity and Strategy

Sub-sector: Multiple

MAMP grant: \$50,000

City of Surrey, BC

Improving Coastal Flood Adaptation Approaches to Minimize Infrastructure Risk Using
Engineers Canada PIEVC Protocol (ICFAA)

Plan – Climate Change Adaptation

MCIP grant: \$102,800

Surrey Coastal Flood Adaptation Strategy

Plan – Climate Change Adaptation

MCIP grant: \$175,000

Low-Carbon Thermal Energy Study

Feasibility Study – Energy

MCIP grant: \$175,000

Prioritizing Infrastructure and Ecosystem Risk from Coastal Processes in Mud Bay

Plan – Climate Change Adaptation

MCIP grant: \$171,400

Village of Warfield, BC

Inventory of Major Assets and Preliminary State of Infrastructure Reports

Sub-sector: Data collection and reporting

MAMP grant: \$24,800

Manitoba

Rural Municipality of Springfield, MB

Enterprise Asset Management Solution
Sub-sector: Data reporting and collecting
MAMP grant: \$50,000

New Brunswick

Village of Blackville, NB

Capital Asset Management Plan
Sub-sector: Data collection and reporting
MAMP grant: \$50,000

City of Campbellton, NB

Asset Management City of Campbellton
Sub-sector: Data collection and reporting
MAMP grant: \$48,560

Village of Doaktown, NB

Capital Asset Management Plan
Sub-sector: Data Collection and Reporting
MAMP grant: \$50,000

City of Edmundston, NB

Implementation of a geographic information system (GIS) for asset management
Sub-sector: Data collection and reporting
MAMP grant: \$50,000

Village of Hillsborough, NB

Capital Asset Management Plan
Sub-sector: Data collection and reporting
MAMP grant: \$50,000

City of Moncton, NB

Renewable Energy and Energy efficiency project – Biomass (PEREEB-AFMNB)
Feasibility Study – Energy
MCIP grant: \$175,000

Village of New Maryland, NB

Asset Management Improvement Project
Sub-sector: Data collection and reporting
MAMP grant: \$50,000

Village of Petitcodiac, NB

Capital Asset Management Plan

Sub-sector: Asset management plans, policy and strategy

MAMP grant: \$50,000

Village of Rexton, NB

Capital Asset Management Plan

Sector: Asset management (MAMP) – Data Collection and Reporting

MAMP grant: \$50,000

Town of Riverview, NB

Asset Management Plan Development

Sub-sector: Asset management plans, policy and strategy

MAMP grant: \$41,482

Village of Rogersville, NB

Asset Management Plan

Sub-sector: Data collection and reporting

MAMP grant: \$50,000

Town of St. George, NB

Development of an Asset Management Policy and Asset Inventory

Sub-sector: Multiple

MAMP grant: \$50,000

City of Saint John, NB

An Urban Blueprint for Water: Securing Our Shared Water Future in Saint John, New Brunswick

Feasibility Study – Climate Change Adaptation

MCIP grant: \$175,000

Ville de Saint-Quentin, NB

Projet SAUVÉR (Regional electric car sharing system) and AFMNB

Feasibility Study – Transportation

MCIP grant: \$156,100

Newfoundland and Labrador

Town of Paradise, NL

Town of Paradise: Asset Management Initiative

Sub-sector: Multiple

MAMP grant: \$50,000

Town of Placentia, NL

Feasibility Study - Town of Placentia Energy, Sustainability and Facility Renewal Project
Feasibility Study – Energy
MCIP grant: \$75,440

Town of Portugal Cove-St. Philip's, NL

Level of Service Review
Sub-sector: Asset management plans, policy and strategy
MAMP grant: \$49,680

Nova Scotia

District of Barrington, NS

Barrington Municipality Infrastructure Assessment Phase One
Sub-sector: Data collection and reporting
MAMP grant: \$50,000

Village of Port Williams, NS

Inventory and desk top condition assess for the Village of Port Williams sewer and water assets
Sub-sector: Multiple
MAMP grant: \$18,400

Ontario

Municipality of Bayham, ON

Comprehensive Municipality of Bayham Asset Management Plan
Sub-sector: Asset management plans, policy and strategy
MAMP grant: \$28,000

Municipality of Brockton, ON

Developing Brockton's Roadmap for Sustainable Infrastructure
Sub-sector: Asset management plans, policy and strategy
MAMP grant: \$50,000

Village of Brooke-Alvinston, ON

Asset Management Capacity Building project
Sub-sector: Multiple
MAMP grant: \$50,000

Town of Carleton Place, ON

Sanitary Pumping Stations Condition Assessment
Sub-sector: Data collection and reporting
MAMP grant: \$48,000

Municipality of Centre Hastings, ON

Asset Management Capacity Building in Centre Hastings

Sub-sector: Multiple

MAMP grant: \$36,800

Township of Clearview, ON

Long-range operating and capital asset management planning

Sub-sector: Multiple

MAMP grant: \$50,000

Municipality of Dutton and Dunwich, ON

Asset Management Plan Update 2017

Sub-sector: Data collection and reporting

MAMP grant: \$20,560

Town of Espanola, ON

Town of Espanola - Mobile Sensing Roads Assessment and Facility Condition Index Assessment

Sub-sector: Data collection and reporting

MAMP grant: \$37,360

Development of overall Bio-solids strategy

Feasibility study – Water

MCIP grant: \$118,240

Town of Gravenhurst, ON

Asset Management Training and Financial Implementation

Sub-sector: Training and organizational development

MAMP grant: \$39,360

City of Guelph, ON

Guelph Community Energy Initiative Update 2016-2017

Plan – Energy

MCIP grant: \$175,000

Town of Halton Hills, ON

Scenario-Based Climate Change Adaptation Plan for the Town of Halton Hills

Plan – Climate Change Adaptation

MCIP grant: \$175,000

Municipality of Hastings Highlands, ON

Buildings & Facilities Strategy

Sub-sector: Asset management plans, policy and strategy

MAMP grant: \$20,000

Township of Huron-Kinloss, ON

Building Asset Management Analytical Capacity in Huron-Kinloss

Sub-sector: Asset management plans, policy and strategy

MAMP grant: \$43,120

City of Kenora, ON

Mobile Sensing Roads Assessment and GIS Based Software Analytics Platform

Sub-sector: Data reporting and collecting

MAMP grant: \$42,335

Town of LaSalle, ON

Phase #1 Condition analysis of 135 kms of storm sewers throughout the Town of LaSalle

Sub-sector: Data collection and reporting

MAMP grant: \$50,000

Township of Machar, ON

Asset Management Development

Sub-sector: Multiple

MAMP grant: \$33,600

Municipality of Machin, ON

Asset Management Roadmap

Sub-sector: Multiple

MAMP grant: \$50,000

Municipality of Middlesex Centre, ON

Green Energy Fleet Plan

Operational Study – Transportation

MCIP grant: \$39,440

Township of North Frontenac, ON

Detailed Building Condition Assessments

Sub-sector: Asset management system assessments

MAMP grant: \$32,000

Municipality of North Grenville, ON

North Grenville Asset Management Initiative

Sub-sector: Multiple

MAMP grant: \$30,720

Township of Norwich, ON

Update to our Enhanced Road Needs Study

Sub-sector: Asset management system assessments

MAMP grant: \$8,800

Village of Oil Springs, ON

Oil Springs Asset Management Plan
Sub-sector: Asset management plans, policy and strategy
MAMP grant: \$40,000

Regional Municipality of Peel, ON

Corporate Climate Change Master Plan for the Regional Municipality of Peel
Plan – Energy
MCIP grant: \$175,000

County of Perth, ON

County of Perth Facility Condition Assessment
Sub-sector: Data collection and reporting
MAMP grant: \$20,000

The Corporation of the County of Peterborough, ON

Peterborough Paramedics - Fleet GHG Emissions Mitigation Study
Feasibility Study – Transportation
MCIP grant: \$31,800

United Counties of Prescott and Russell, ON

Finalizing the Asset Management Plan to include all assets
Sub-sector: Asset management plans, policy and strategy
MAMP grant: \$40,000

Township of St. Clair, ON

Implementation of a New Asset Management Platform
Sub-sector: Multiple
MAMP grant: \$50,000

City of Sarnia, ON

Building Condition Assessments for Asset Management
Sub-sector: Data collection and reporting
MAMP grant: \$50,000

Township of Seguin, ON

Increasing Asset Management Capacities
Sub-sector: Multiple
MAMP grant: \$50,000

Municipality of Strathroy-Caradoc, ON

Asset Management Program Development in Strathroy-Caradoc
Sub-sector: Multiple
MAMP grant: \$42,940

City of Greater Sudbury, ON

Greater Sudbury Community Energy and Emissions Plan
Plan – Energy
MCIP grant: \$175,000

Town of Tecumseh, ON

Town of Tecumseh Storm Drainage Master Plan
Feasibility Study – Water
MCIP grant: \$175,000

City of Temiskaming Shores, ON

City of Temiskaming Shores Mobile Sensing Roads Assessment and GIS Based Software
Analytics Platform
Sub-sector: Multiple
MAMP grant: \$49,754

Town of The Blue Mountains, ON

Facility & Accessibility Condition Assessment
Sub-sector: Data collection and reporting
MAMP grant: \$50,000

City of Toronto

Transforming Evergreen Brick Works into a Zero Carbon Campus
Feasibility Study – Energy
MCIP grant: \$175,000

City of Vaughan, ON

Work order management improvements to track and manage asset maintenance and repair
activities
Sub-sector: Multiple
MAMP grant: \$50,000

Regional Municipality of Waterloo, ON

Community Climate Adaptation Plan for Waterloo Region
Plan – Climate Change Adaptation
MCIP grant: \$175,000

Prince Edward Island

City of Charlottetown, PE

Greenhouse Gas Reduction Plan
Plan – Energy
MCIP grant: \$99,900

Town of Stratford, PE

Stratford's Program for Energy Audits and Renewable's (SPEAR)
Operational Study – Energy
MCIP grant: \$40,700

Saskatchewan

Town of Bruno, SK

Development of Asset Management Plans
Sub-sector: Asset management plans, policy and strategy
MAMP grant: \$20,000

Rural Municipality of Calder No. 241, SK

RM of Calder No. 241 Asset Management Plan Development
Sub-sector: Asset management plans, policy and strategy
MAMP grant: \$21,200

Town of Carnduff, SK

Town of Carnduff Development of Asset Management Plans
Sub-sector: Asset management plans, policy and strategy
MAMP grant: \$22,000

Town of Churchbridge, SK

Asset Management Plan Development
Sub-sector: Asset management plans, policy and strategy
MAMP grant: \$25,200

City of Meadow Lake, SK

Meadow Lake Road to Asset Management: Planning for the Future in Northern Saskatchewan
Sub-sector: Data collection and reporting
MAMP grant: \$50,000

Rural Municipality of Meadow Lake No. 588, SK

Equipment and Inventory Tracking Project
Sub-sector: Data collection and reporting
MAMP grant: \$25,338

Town of Osler, SK

Small Community Single Concise Asset Management Plan
Sub-sector: Multiple
MAMP grant: \$37,440

Town of Outlook, SK

Town of Outlook Development of Asset Management Plans

Sub-sector: Asset management plans, policy and strategy

MAMP grant: \$20,000

Prince Albert Police Service, SK

Prince Albert Police Service Planning for Growth

Sub-sector: Data reporting and collecting

MAMP grant: \$50,000

Rural Municipality of Rudy No. 284, SK

RM of Rudy Development of Asset Management Plans

Sub-sector: Asset management plans, policy and strategy

MAMP grant: \$20,000

Town of Shellbrook, SK

Technical and Financial Feasibility Study to Improve Energy Efficiency and Reduce GHG Emissions of the Affinity Credit Union Recreation Centre

Feasibility Study – Energy

MCIP grant: \$98,200

Town of Wakaw, SK

Municipal Infrastructure Asset Management Program

Sub-sector: Data reporting and collecting

MAMP grant: \$50,000

Quebec municipalities are currently not permitted to receive funding from FCM's Municipalities for Climate Innovation Program and FCM's Municipal Asset Management Program. FCM is working with the province of Quebec's Ministère des Affaires municipales et de l'Occupation du territoire (MAMOT) to find a solution that will provide Quebec municipalities access to MAMP and MCIP funding as soon as possible.
